## DILUTION RATES FOR JANGRO HOUSEKEEPING CHEMICAL PRODUCT RANGE

### Jangro Multi-Surface Polish

Shake well and spray sparingly directly onto the surface.

Wipe off immediately with a soft, dry cloth and buff to a lustrous clean finish. For hard to reach areas, spray directly onto cloth.

Multi-Surface Polish is also available in a spray bottle which can be filled directly from this 5 litre bottle.

### Jangro Glass & Mirror Cleaner

Use undiluted. Pour into handy spray bottle.

Spray sparingly 15-30cm directly onto surface and wipe clean immediately with a clean, dry, lint free cloth.

For small areas, or for use on keyboards, TV and VDU screens, spray onto cloth then wipe surface. DO NOT spray near food.

### Jangro Air Freshener

Pour undiluted into a bottle with a fine mist spray.

Spray sparingly high into the air, away from face. DO NOT spray near food or furniture. If sprayed onto furniture or fittings, wipe residue off immediately.

This product is available in a 750ml trigger spray bottle.

### Jangro Cleaner Disinfectant

Spray sparingly onto surface and wipe with a damp cloth or sponge.

For small or hard to reach areas spray onto cloth and clean as normal.

This product is available in a 750ml trigger spray bottle.

### Jangro Heavy Duty Cleaner Concentrated

**To remove oil & grease:** Dilute 500ml per 5 ltrs of hot water

**Heavy soilage:** Dilute 200ml per 5 ltrs of hot water

**General cleaning:** Dilute 50ml per 5 ltrs of hot water

### Jangro General Acid Cleaner

**Brickwork, concrete floors & patios:** Wet surface with clean cold water. Apply undiluted. Allow product a few minutes to react. Agitate with brush. Hose down with clean water.

**Use undiluted for stubborn stains:** Not recommended for use on stainless steel and non-ferrous metals.

Dilution guides are also available for the Jangro Kitchen, Washroom and Flooring range

## DILUTION RATES FOR JANGRO HOUSEKEEPING CHEMICAL PRODUCT RANGE

### Jangro Odour Neutraliser

Use undiluted. Refill Jangro Odour Neutraliser 750ml spray bottle. Refill Jangro Odour Neutraliser 750ml spray bottle.

For areas with an established persistent problem, spray surface liberally to ensure the odour is digested. For areas with an established persistent problem, spray surface liberally to ensure the odour is digested.

For more recently contaminated areas, spray the offending material to help neutralise the immediate odour. For more recently contaminated areas, spray the offending material to help neutralise the immediate odour.

Remove as much solid by dustpan and blot urine with paper towel. Spray surface once again liberally and allow the product to overcome both the malodour and it's cause. Remove as much solid by dustpan and blot urine with paper towel. Spray surface once again liberally and allow the product to overcome both the malodour and it's cause.
