

Kitchen Chemicals

This guide provides information on how to get the best performance and value from your Jangro range

DILUTION RATES FOR JANGRO KITCHEN CHEMICAL PRODUCT RANGE

Jangro Kitchen Cleaner Sanitiser Odourless

Food contact surfaces: Dilute 500ml of detergent per 5 litre of hot water. Dilute 50ml of detergent per 500ml of water in a 750ml spray bottle. Wipe or spray surface. Rinse with clean water.

Non food contact surfaces: Dilute 100ml of detergent per 5 litres of hot water. Mop or wipe surface. Allow to air dry.

Jangro Kitchen Degreaser Heavy Duty

Heavy grease & oil: Dilute 100ml of detergent per 5 litres of hot water.

General Cleaning: Dilute 20ml of detergent per 5 litres of hot water. Spray, wipe or mop. Rinse with clean water.

Jangro Heavy Duty Cleaner Odourless

General cleaning: Dilute 25ml of detergent per 5 litres of hot water. Mop or wipe surface.

Heavy soiling: Dilute 100ml of detergent per 5 litres of hot water. Mop or wipe surface.

Jangro Oven Cleaner

Warm the griddle or oven to 40oC - 45oC.

Wipe or spray undiluted oven cleaner onto surface. Leave for a few minutes. Agitate with brush or scouring pad. Rinse off with clean water.

NOT to be used on the exterior of ovens, aluminium, painted, easy clean or self-clean surfaces.

Jangro Catering Descaler

Bain maries, water boilers & coffee machines: Dilute 200ml per 5 litres of hot water. Pour into vessel and soak for up to 30 mins. Drain solution and scrub surface with a stiff brush. Rinse thoroughly with clean water.

Automatic machines: Switch off dosing dispenser and empty the machine. Remove loose limescale with spatula and rinse the inside of the machine. Fill the machine with clean water. Pour undiluted catering descaler into the machine at a ratio of 5% (i.e 2 litres per 40 litres capacity) and leave for 2-3 mins. Switch on the machine and circulate the solution between 5-10 mins. Drain the solution and refill with fresh water. Circulate the water for a further 3 mins and drain.

DILUTION RATES FOR JANGRO KITCHEN CHEMICAL PRODUCT RANGE
