

Food Probe Wipes x200

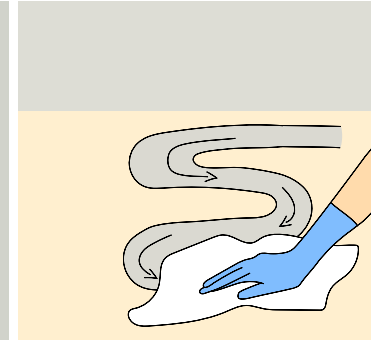

Product Usage Guide

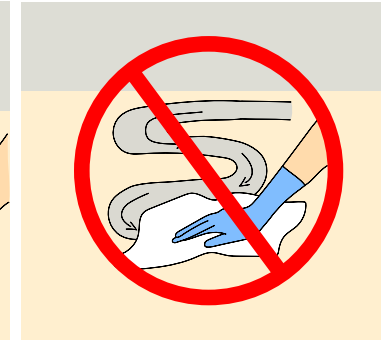

1. Please Use appropriate PPE as indicated in COSHH sheet.

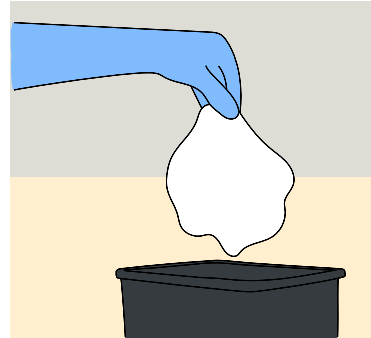

2. Check pack for use period and dispense a wipe.

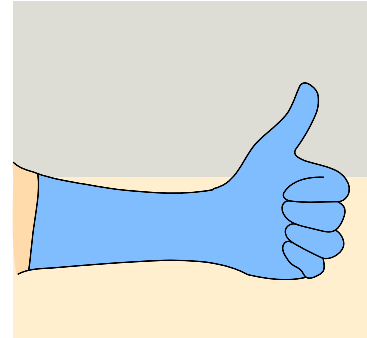

3. Wipe the surface in an S-Shape moving from clean to dirty. Use the wipe flat not scrunched.

4. Do not go over the same area twice with the same wipe.

5. Discard used wipes in the appropriate waste bin following your local agreed guidelines.

6. Allow the surface to dry before use.

7. Wash hands thoroughly after use.
