

## Daily Toilet Cleaner HY507

1 Fill a 1L bottle half way with warm water.

2 Add one Hygiene Bomb to the bottle.

3 Shake until the sachet has dissolved and leave for 15 minutes.

4 Fill the rest of the bottle with warm water and the solution is ready to use.

Areas of use

Washroom

### Safety Information

Store the sachets in a cool, dry environment and ensure the pack is closed.

Once diluted the product carries no hazard.

The concentrate powder in the sachet is wrapped in water soluble film to prevent contact.

Only handle sachets with dry hands.

If a sachet is damaged, only handle with the correct PPE to avoid contact with skin.

Read and follow the safety data sheet.
